A series of thin, wavy, yellow lines that flow from the left side of the image towards the right, creating a sense of movement and rhythm.

About Our Project

Reducing food waste one bite at a time

BiteSaver connects bakeries and food outlets with users to reduce daily food waste and promote affordable meals. Through our platform, food outlets can list surplus food at discounted prices, enabling users to seize these deals in real-time. This solution addresses food accessibility, reduces waste, and supports Sustainable Development Goal: SDG 2 Zero Hunger.

Home Page

The screenshot displays the home page of the BiteSaver website. The page has a dark blue background. In the top left corner, there is a logo for 'BiteSaver' and the text 'BiteSaver'. In the top right corner, there are links for 'Browse' and a 'Login' button. The main content area features a 'Join Us!' heading in light blue. Below this heading is a sign-up form with the following fields: 'First Name', 'Last Name', 'Username', 'Email', 'Password', and 'Confirm Password'. Each field has a corresponding input box. Below the 'Password' and 'Confirm Password' fields, there is a checkbox labeled 'I agree to the terms and conditions'. A light blue 'Sign Up' button is positioned below the checkbox. At the bottom of the form, there is a link that says 'If you already have an account, sign in [here](#).' The browser's address bar at the bottom left shows 'localhost:3000/login'.

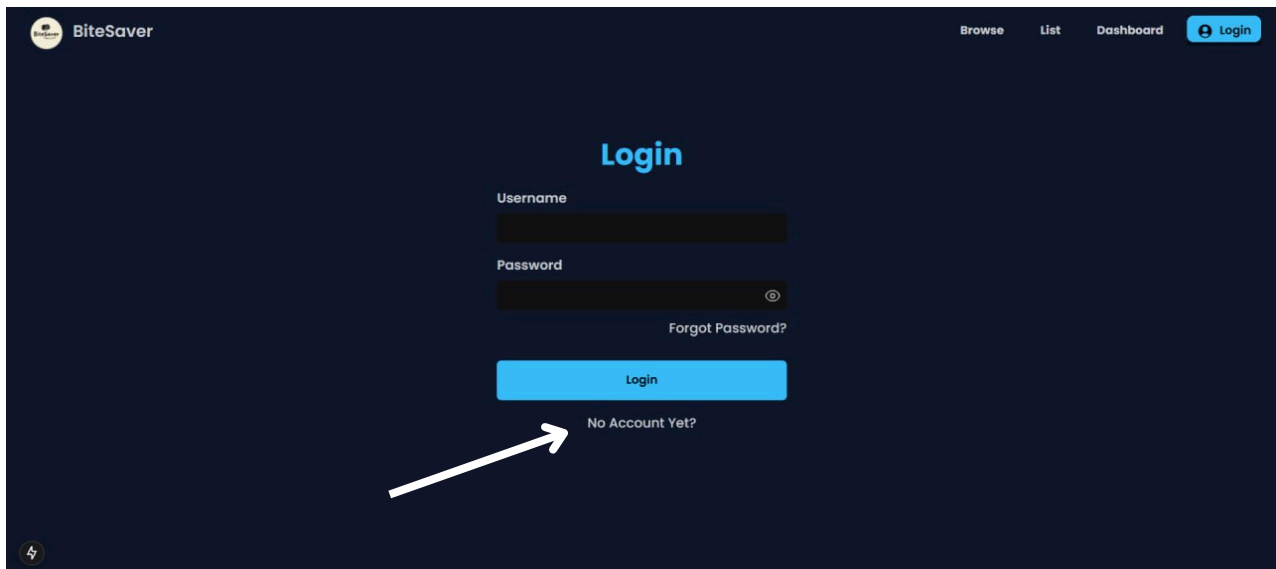

This is the home page for everyone when they first access the website.

Users are not required to log in and can browse freely.

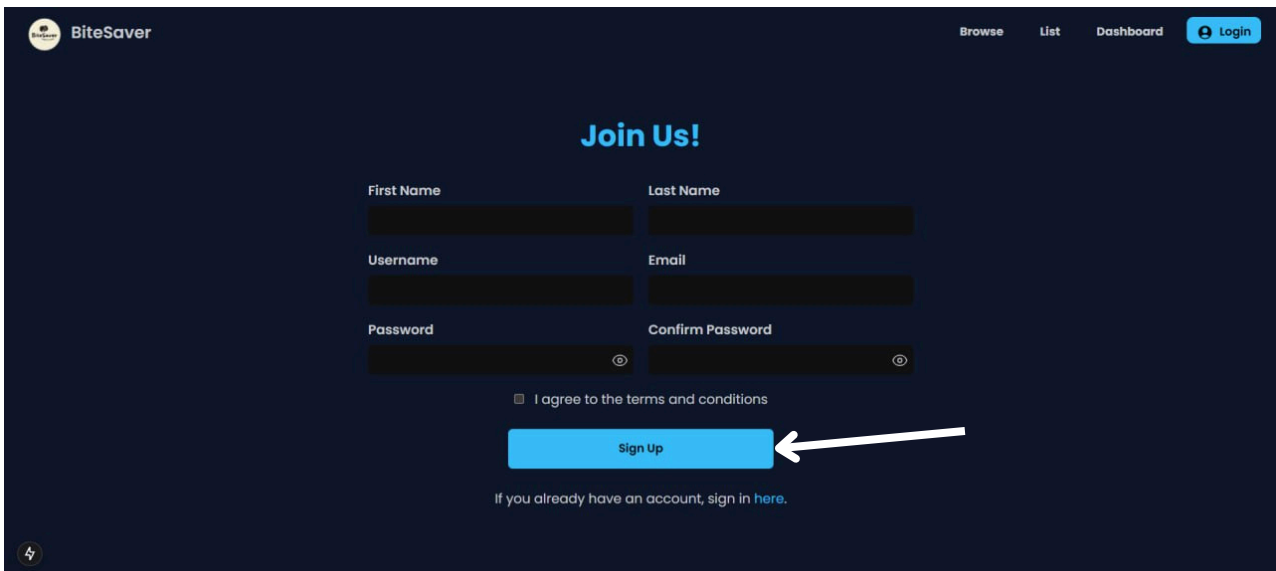

Businesses can log in via the log in button in order to list their food.

Log In

This is the log in page where businesses can log into their accounts. Businesses can also create an account by click "No Account Yet", filling in their details, and clicking Sign up.

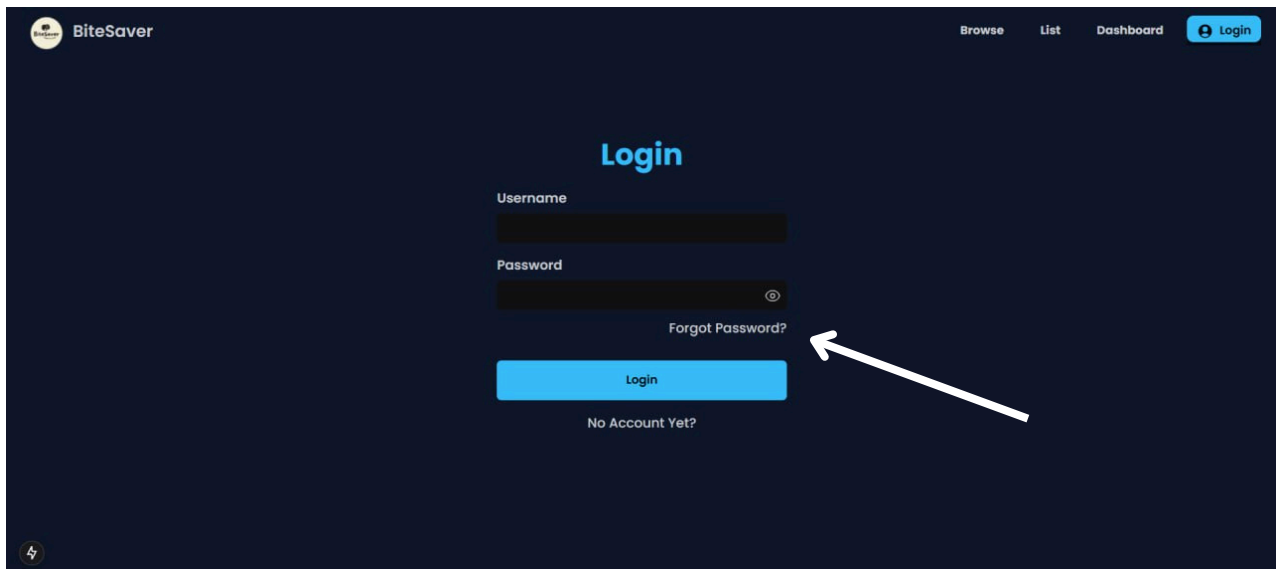

The screenshot shows the login page for BiteSaver. The page has a dark blue background with a light blue header. The header contains the BiteSaver logo, the text "BiteSaver", and navigation links for "Browse", "List", "Dashboard", and a "Login" button. The main content area is titled "Login" in light blue. It features a form with two input fields: "Username" and "Password". Below the password field is a link for "Forgot Password?". A light blue "Login" button is positioned below the form. Below the button is a link that says "No Account Yet?". A white arrow points from the bottom left towards the "No Account Yet?" link. In the bottom left corner, there is a small circular icon with a dollar sign.

The screenshot shows the sign-up page for BiteSaver. The page has a dark blue background with a light blue header. The header contains the BiteSaver logo, the text "BiteSaver", and navigation links for "Browse", "List", "Dashboard", and a "Login" button. The main content area is titled "Join Us!" in light blue. It features a form with four input fields: "First Name", "Last Name", "Username", and "Email". Below these are two more input fields: "Password" and "Confirm Password". Below the password fields is a checkbox labeled "I agree to the terms and conditions". A light blue "Sign Up" button is positioned below the form. A white arrow points from the right towards the "Sign Up" button. Below the button is a link that says "If you already have an account, sign in [here](#)". In the bottom left corner, there is a small circular icon with a dollar sign.

Log In

If a business user forgets their password, they can click on "Forgot Password" and fill in their email. After which, they will receive instructions on how to reset their password.

The screenshot shows the BiteSaver Login page. The header includes the BiteSaver logo, navigation links for Browse, List, and Dashboard, and a Login button. The main content area is titled "Login" and contains a form with fields for Username and Password. A "Forgot Password?" link is positioned below the Password field, with a white arrow pointing to it. Below the form is a "Login" button and a link for "No Account Yet?".

Listing Page

Listing page allows businesses to list their food and discounts. Businesses can customize their listings via tags, time limit and photos. Upon clicking on "List", the listing will become visible for all users to view.

The screenshot shows the 'List' page of the BiteSaver application. The page has a dark blue background with a white header containing the 'BiteSaver' logo and navigation links: 'Browse', 'List', 'Dashboard', and a 'Login' button. The main heading is 'List' in blue, followed by the subtitle 'Help reduce food waste by listing surplus food your restaurant is offering for free.' The form is divided into two columns. The left column is titled 'Food Picture' and contains a placeholder image of a plate with a fork and knife. Below the image are 'Upload photo' and 'Remove' buttons, and a note 'At least 132 x 132px PNG or JPG file'. The right column contains fields for 'Restaurant Name', 'Location', 'Tags' (with a 'Make' button), and 'Time Limit' (with a clock icon). A large blue 'List' button is at the bottom right, with a white arrow pointing to it.

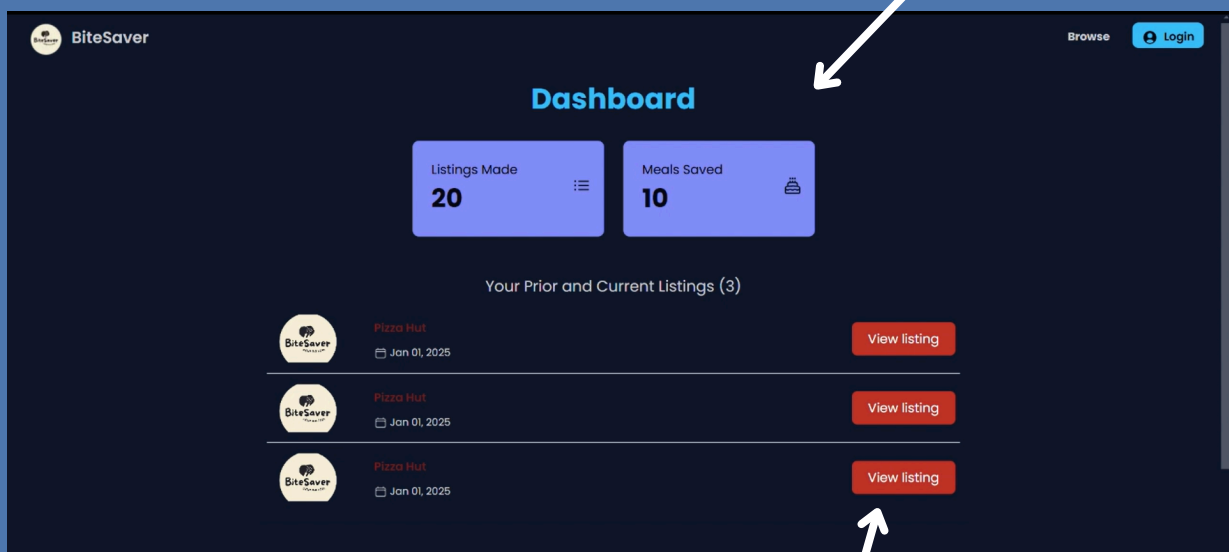

This screenshot shows the same 'List' page as the previous one, but with custom tags added. The 'Tags' field now displays three tags: 'Breadx', 'Pizzax', and 'Toastx'. A white arrow points to the 'Make' button next to the tags field.

Businesses are able to add their own custom tags to improve visibility when users search for food. Just type the name of the tag and press "Make"

Dashboard

BiteSaver allows businesses to edit their listings and view analytics through the dashboard
